

4K HDMI HD Industrial Camera

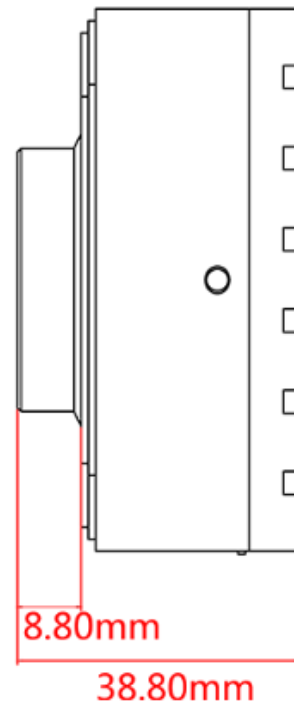

BHDC-600M

Front

Side

Features:

- Point coordinates, cross lines, coordinate systems, text annotations.
- Supports straight length, crosshair, coordinate, distance between parallel lines, point -line distance.
- Radius setting circle, two points setting circle, three points setting circle, line length, radius setting circle, two points setting circle, three points setting circle, concentric circles.

Specifications:

Specifications	Model	BHDC-600M
	Product category	4K HDMI industrial camera
	Sensor size	1/1.8 "
	Effective pixels	12M
	Resolution	4K 30fps@3840*2160
	Output interface	4K HDMI, USB3.0, TF card
	Like yuan umm size	1.85μm*1.85μm
	Power supply	DC-12V
Software functions	UI	Digital design, mouse operation, humanized design
	Labeling functions	Point coordinates, cross lines, coordinate systems, text

		annotations
	Length measurement	Line length, line length, curve length, parallel line distance, point line distance
	The center distance	The radius fixed circle, two points setting circle, three points setting circle
	Geometric measurement	Line length, radius fixed circle, two point fixed circle, three point fixed circle, concentric circles
	The geometric area	Polygon, square
	Image fast	Support for 12M static photos

	Video	Support 1080P video
	Measurement	S-EYE
Packing	Size	75*75*38.8 MM
	Weight	
	Accessory	HDMI cable, power
